

5/1/2017

Dear Wood Dale School District #7 Families:

Wood Dale School District #7 has been proactive in sampling each of our schools for lead in water prior to the mandated sampling required by the state. We wanted to share the results with you related to your school. To see the testing locations and results for your school, please click on the following link to view all the information:

[Water test tables](#)

For more information on lead in drinking water please refer to the EPA's website or uses the following link <https://www.epa.gov/ground-water-and-drinking-water/basic-information-about-lead-drinking-water>.

If you have any further questions, please contact Gus Gonzalez at 630)595-9510X 6312.
