COVID-19 Update & Mitigation Efforts

Dear District 7 Families:

Currently, there have been no confirmed COVID-19 cases in Wood Dale School District 7.

Even so, with the number of cases across the state and region increasing and as a result of our communications and coordination with the [DuPage County Health Department](#) (DCHD), Wood Dale 7 is taking proactive measures to help reduce the spread of illness throughout our community.

Although we are not closing school at this time, District 7 **is implementing the following measures until further notice**:

- Large gatherings that include visitors, from outside the school who are not our students, **are cancelled**.
- Athletic practices and competitions are cancelled.
- All student field trips are cancelled.
- All rental agreements for our facilities involving large groups will be cancelled.

We will evaluate whether or not these events can be rescheduled at a later time or held in a virtual format.

In addition, we are reminding all students, staff and faculty, that if traveling to any area listed on the CDC Travel Advisories **with a Level 2 or above Travel Notice** that those individuals are asked to stay home and self-quarantine for 14 days following their return.

If we do have a confirmed case of COVID-19 in District 7, we will close school for 24 hours. At that point, the DCHD would help us assess the situation, evaluate our cleaning and disinfection practices, and reduce the risk and vulnerability to students. We would then work on a plan to move forward. Until then, school will remain open and we will continue our cleaning and disinfection practices as directed by the Centers for Disease Control and Prevention. We will revisit these protocols as necessary.

As we receive new information, we will send it to you as soon as we can. Check our website [HERE](#), where we will post all messages that we issue and other resources.

Thank you for your patience and understanding as we work through this situation together, during these unprecedented times.

Thank you,

John W. Corbett, Ed. D.
Superintendent
