

Wood Dale School District #7  
Developmental Screening for Children Ages 3-5

Preschool Opportunity for your child

During the screening process, your child will be evaluated in various areas of development, including expressive and receptive language, fine and gross motor coordination, cognitive development, self-help skills, and social/emotional development.

Families with concerns about their child's developmental progress are encouraged to call ECEC for an appointment.

When: Thursday, January 12th, 2023, 3-5PM

Where: Early Childhood Education Center  
543 North Wood Dale Rd.  
Wood Dale, IL 60191

Call Ms. Xiomara Herrera at 630-694-1174 or email at [xherrera@wdsd7.org](mailto:xherrera@wdsd7.org) to set an appointment or for additional information.
