

# You're Invited to Sing, Dance & Play the ROCK 'n' Kids Way!

Every session of Tot Rock & Kid Rock is centered around a new, educational theme! This fall is called "You're Invited!" Each week we will be pretending to go on a musical adventure, based on an invitation we receive in the Rock 'n' Kids mailbox! Join us when we pretend to go apple picking, visit a pumpkin farm, explore the zoo, and more!

Tot Rock & Kid Rock are music and movement programs for children ages 1-5. Thousands of children enjoy the program each year! Activities include songs and rhymes, use of rhythm instruments and props, imaginative play, and work on fine and gross motor skills.

**Rock 'n' Kids has been having fun with music for 28 years!**

Registration is currently underway through the Wood Dale Park District for the FALL session!
